CANCELLATION POLICY

If you fail to cancel a scheduled appointment within the 24-hour notice time period, I will not be able to utilize this time for another client and you will be billed \$100.00 for the cost of a late cancellation. This fee is charged for missed appointments or late cancellations unless they are due to illness or an emergency. A bill will be mailed directly to all clients who do not show up for, or who cancel an appointment. Please also note that after two consecutive “no-show” appointments, you will be discharged from the practice to allow space for another client.

Thank you for your consideration regarding this matter.
